DAUGHERTY BUSINESS SOLUTIONS NAMED TO ST. LOUIS BUSINESS JOURNAL LARGEST IT CONSULTING FIRMS LIST

(SAINT LOUIS, MO) April, 2009 – Daugherty Business Solutions, a premier technology consulting firm, was named to the *St. Louis Business Journal's* list of Largest Information Technology Consulting Firms in the St. Louis area. The March 20-26, 2009 edition lists Daugherty as number six, up from number eight in 2008. Daugherty has been in the top ten for over ten years.

The firms are ranked by number of local full-time employees. Daugherty has approximately 245 employees in their St. Louis location and over 450 employees corporate-wide. “We are hiring senior level employees in every branch,” says President, Ron Daugherty. “After a short slow down at the beginning of the year, we are now experiencing a demand—especially in our Management Consulting line of service. Companies are looking for innovative ways to reduce cost and maximize revenue and we have some proven strategies to help them accomplish these goals.”

The St. Louis office is currently providing consulting support at Charter Communications, Express Scripts, and Monsanto, among others. Anheuser-Busch continues to be an anchor account for the firm, with Daugherty providing a customized end-to-end Mobile Computing solution for the brewery.

ABOUT DAUGHERTY BUSINESS SOLUTIONS

Since 1985, Daugherty Business Solutions (www.daugherty.com) has helped companies achieve their business objectives through the integration of business processes and leading technologies. Daugherty's partnering approach, proven methods, and staff of nearly 500 business and technical experts enables the firm to provide world-class custom application development, business intelligence, mobile, and ERP/CRM solutions. Daugherty provides end-to-end technology services from its development centers in St. Louis, Atlanta, Chicago, Dallas, and Minneapolis and has successfully implemented large-scale projects for many Fortune 500 companies, including AT&T, Anheuser-Busch, Monsanto, and The Home Depot.
