DAUGHERTY BUSINESS SOLUTIONS EXPANDS MINNEAPOLIS OPERATIONS

ST. LOUIS, MO – August 27, 2007 – Daugherty Business Solutions, a premier technology consulting firm, announces the expansion of its Minneapolis/St. Paul branch. The organization opened offices in the area in the fall of 2006 and on September 1, 2007 will move to larger office space to accommodate growth.

“With our new location, we will be able to offer clients custom application development services from our state-of-the art in-house development center in addition to the client site IT services we currently provide,” explained branch manager, Becky Koller. “This approach provides maximum benefit for organizations that want to ramp up a team or project quickly and may not have the internal resources to do so.”

The new office is conveniently located at Highway 169 and Highway 55. The new phone number is 763-544-6000.
